

Antigua Sailing Week

[Posted from Saint Mary, Antigua and Barbuda.](#)

Oboe fully crewed with national champions, but not big boat sailors. This bunch of fit youngsters were dinghy racers, straight from their UK national series. In Antigua for race week, they were on holiday but once the adrenaline kicked in they were awesome and a second in class resulted. Well done Oboe and crew and a special thanks to Sandy Mair, a local Antiguan Scotsman, our race skipper and a tough task master with an amazing knowledge of the waters. Well, he kept us off the reefs!
